

Christmas  
greetings  
and  
best  
wishes  
for  
a  
New  
Year!

Thank you -- SOC Board and staff -- for sharing a dynamic partnership with Johns River Valley Camp, a congregational resource for outdoor ministry and camp opportunities.

Find pause during this holiday season to notice a directional star, offering rays of light (and perhaps showering snowflakes) to illumine the meaning behind our celebrations.

Hopefully I have also met your expectations as a Conference communications consultant in 2009. Opportunities to bring the Word alive on newsprint and in cyberspace have been fulfilling.

SHALOM! (peace / be whole / be well)
